## Material Features

### Fabric

- Made from UV stabilized high density polyethylene fabric that prevents fading from the sun
- Raschel-knitted to prevent fraying and shades 34' and larger receive Kevlar® reinforced corners
- Blocks up to 98% of harmful UV rays, depending upon color choice
- Fabric breathes allowing hot air to rise and escape
- Available fabric to meet California State Fire Marshal requirements, NFPA 701, and ASTM E84

### Frames

- Engineered to withstand wind speeds up to 150 mph with fabric removed
- Structural tubing complies with ASTM standards
- Finished product includes 6 mils of powder coat, with 3 being zinc-rich primer and 3 being powder coat — all backed by 5,000 hours of testing per ASTM Method B117

## Glide Elbow™

Our Glide Elbow™ quick release mechanism allows for easy installation and removal of your fabric — in the case of a fabric refresh or inclement weather. All you need is a wrench or cordless drill (with the right sized socket). What's more, metal-on-metal wear is minimized with our fabric hook connection. Our Glide Elbow™ is backed by a [1-year limited warranty](#).

## Certified Fabricator/Products

- LADBS Certified Fabricator\*
- DSA Certified Products
- City of Houston Registered Fabricator\*

\*Certificate available upon request.

## Warranty

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure. Product should be maintained per the instructions given at time of delivery.

- LW** Lifetime\* Warranty on stainless steel hardware
- 20** 20-Year Limited Warranty on framework
- 10** 10-Year Limited Warranty on fabric
- 5** 5-Year Limited Warranty on powder coat
- 1** 1-Year Limited Warranty on cables
- 1** 1-Year Limited Warranty on materials not above

### Pricing Policy

## Color Options

### Frames

Our powder coat is backed by a [5-year limited warranty](#).

### Gloss

### Matte, Textured, or Metallic

### Traditional Fabric

This selection of fabric colors are fire retardant and pass the NFPA 701 or ASTM E84 tests. All fabric colors are California Fire Marshal certified with the exception of those marked with an asterisk (these colors may not be used on a shade whose fabric spans larger than 2,000 square feet). Our traditional shade fabric is backed by a [10-year limited warranty](#).

### NEW! Dual Shade Fabric

This selection of fabric colors is truly unique. Two different color yarns are combined to form a single dual colored fabric (with a top and bottom color) that produces a shimmery effect. Our dual shade fabric is backed by a [10-year limited warranty](#).
